

# THE TITAN COLLECTION

Engineered To Keep Food And Drinks The Right Temperature For Days At A Time

Arctic Zone® is the leader in high-performance insulated products for work and play. Featuring roomy coolers and heavy-duty tumblers, the premium Titan Collection is perfect for a multi-item gift.

## COOLERS

High-performance Titan coolers with Deep Freeze® insulation keep ice for extended periods.

- + Ultra Safe® leak-proof, easy-clean lining with Microban anti-bacterial
- + Therma-Flect® radiant barrier keeps cold in and heat out
- + Durable RhinoTech™ exterior is water- and stain-resistant

## DRINKWARE

Whether it's ice water or hot coffee, Titan Collection tumblers keep your drinks cold for up to 48 hours and hot for up to 12.

- + Stainless steel with copper vacuum insulation
- + Durable powder spray finish is scratch- and fade-resistant
- + Leak-proof design
