### Key Ingredients

---

#### **70% ETHYL ALCOHOL**

Distilled from Organic Sugarcane that gently cleans without toxic impurities. Formulation in accordance with FDA guidelines

#### **JOJOBA**

Vitamin E and B-complex protect skin from the elements of daily life. Jojoba oil is nearly identical to the natural oils in skin making it an effective moisturizer.

#### **ALOE**

Soothing anti-inflammatory properties diminish age lines and increase skin elasticity.

#### **ROSA CANINA**

Fatty acids and antioxidants restore dry and damaged skin yet is light enough for daily use.

#### **ARGAN**

Adds an additional layer of intensive moisture to skin that doubles as a natural barrier for long term protection.

#### **COCONUT**

The final step of ongoing skin protection for that provides a barrier to maintain moisture.
