

BARONFIG

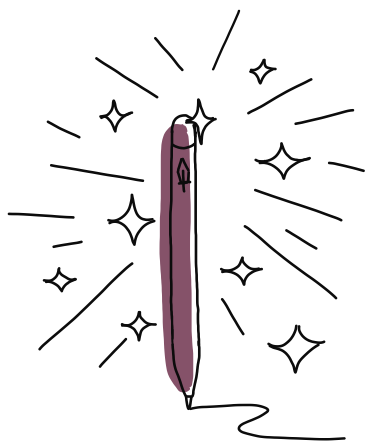

Tools For Thinkers

Baronfig is a 100% employee-owned brand founded with a simple mission: to champion thinkers around the world through inspiration and imagination.

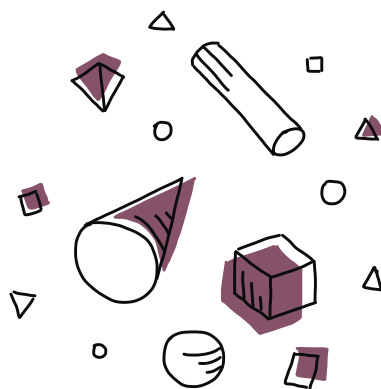

Three Principles

The brand leans on these principles to move forward with its mission. Each is an ingredient in a unique recipe to create truly useful and beautiful goods that anyone can enjoy.

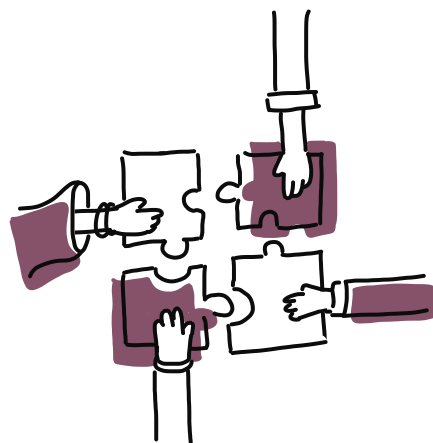

Simplicity

Simple design is direct, intuitive, and easy on the eyes. It should just work, every single time.

Usefulness

Your tools need to be functional. Baronfig works to make sure you have the best tools for the job at all times.

Community

All Baronfig designs are a product of community feedback. We keep improving based on your needs.
