

Little Speaker. Big Goosebumps.

The SoundLink Revolve II delivers true 360° sound for consistent, uniform coverage. Place it in the center of the room and everyone gets the same experience. Or set it near a wall and sound will radiate and reflect around the room, immersing you. Taking it outdoors? Great, it's meant to go where you go.

Water-Resistant Design

SoundLink Revolve II has a water-resistant design, so you can use it by the pool (or kitchen sink) without worrying.

Packed With Power

The rechargeable lithium-ion battery plays up to 13 hours — without compromising the deep, powerful bass.

Leave Your Phone Alone

Don't have your phone handy? You can still make dinner plans or send texts. Just hold the multi-function button to access your phone's Siri or Google Assistant.
