CAMELBAK®

FILTERED BY
LifeStraw® 

New CamelBak® drinkware filtered by LifeStraw® delivers safe and clean hydration on the go.

A Better Way To Hydrate

Reduces lead, bad taste, chlorine and other unwanted chemicals - delivering a steady stream of clean and safe hydration.

Water is filtered twice to remove bacteria, parasites, and microplastics.

For every CamelBak® filtered by LifeStraw® product purchased, a child in need receives safe drinking water for an entire year.
