

Karst®

Thoughtfully designed.
Sustainably made.
Purpose-built.

Made from 100% sustainably recycled stone, and without bleaches or acids, Karst Stone Paper™ is built to be better than wood-pulp paper: more durable, more sustainable, and infinitely smoother to write, doodle or draw on.

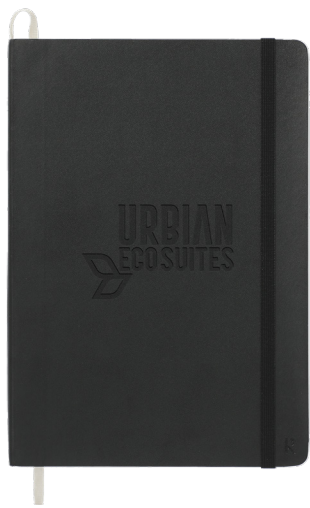

Business as a force for good

Certified B Corporations are businesses that meet the highest verified standards of social and environmental performance, transparency and accountability. As a Certified B Corp, Karst is purpose-driven and committed to giving back through partners like One Tree Planted and Carbon Neutral.
