

Business For Good

Klean Kanteen uses its business as a force for good — from the products, to the nonprofit partnerships, to the way it shows up in its communities, to the positive impact it has on the world.

Family And Employee-Owned B Corp

This unique structure pairs complete operational freedom and autonomy with a commitment to a stringent set of internationally recognized standards for social and environmental transparency, accountability and performance. This progressive way of doing business is uniquely Klean and allows the company to be uncompromising in using its business as a force for good.
