

Your digital business card

Tap your Popl to someone's phone to instantly share anything

7194-04 Popl Flat
As Low As **\$19.99**^[E]

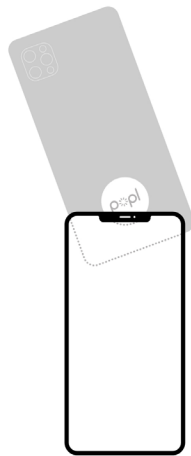

You only get one first impression. **Make it pop.**

How Popl Works

- Download Popl app.
- Activate your Popl.
- Tap your Popl to the back of someone's phone to share contact and social media info.
- The other person doesn't need an app or a Popl to receive your info.

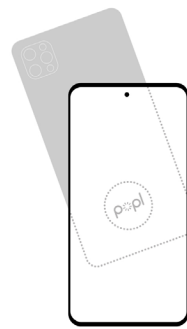

Sharing to iPhone

For iPhone XR and newer

Their screen must be on

Tap your Popl to the **very top** of their phone

Sharing to Android

For all Android phones

NFC must be turned on in their phone settings

Tap your Popl to the **center back** of their phone

Sharing with QR Code

For iPhone X and older

Your Popl QR code can be found in the Popl app
