

The “Workleisure” Trend

As comfy, casual apparel becomes the norm in the workplace, learn how the “workleisure” trend is taking over offices everywhere.

The Cozier, The Better

It's been over two years since the start of COVID-19, and 87% of consumers continue to self-soothe by wearing comfortable clothes.

Farewell To Formal Dress Codes

In a recent study, 61% of employees claimed to be more productive when the dress code was relaxed.

Comfort Is Key

In a recent survey conducted by Cotton Incorporated, the number of customers primarily shopping for comfort increased from 63% in 2020 to 74% in 2021.
