

Making A Change.

Klean Kanteen drinkware is manufactured using certified 90% post-consumer recycled 18/8 stainless steel, resulting in a 40% reduction in steel greenhouse gas emissions.

Business For Good

Klean Kanteen uses its business as a force for good — from the products, to the nonprofit partnerships, to the way it shows up in its communities, to the positive impact it has on the world.

Klean Kanteen is devoted to caring for its diverse global team. The company strives to inspire everyone who touches the business to be healthy, happy and focused on continuous growth and improvement in ways that are bigger than themselves.

At Klean Kanteen, environmental responsibility is more than a single initiative. The company dedicates time and money to assessing environmental risks across the entire business, and invests in both the urgent and long-term sustainability interests of the local and global communities.

Klean Kanteen helps people kick the single-use habit. The products are manufactured using 90% post-consumer recycled stainless steel and designed to last a lifetime.
