As Low As: \$21.06 (E)

Unbreakable, super-usable, food-grade silicone

Silipint® believes that life should be functional and fun. The drinkware is made of unbreakable, 100% food grade-tested silicone that lets you take the fun anywhere you go.

Safe & Sustainable

Silipint® drinkware is made with patented, BPA-free, 100% safe food grade-tested silicone. Derived from sand, silicone manufacturing preserves less abundant natural resources.

Unbreakable

Silipint® drinkware is made to last. The platinum-cured silicone won't crack, chip, dent, fade or scratch.

Fun & Versatile

Morning coffee or a beer for the ballgame, sturdy, stylish Silipint® drinkware is designed for both hot and cold beverages, with an easy-to-grip outer surface and nonslip bottom.
