

TERRA THREAD

About

Terra Thread backpacks are created for conscious consumers, corporations and NGOs that want to make a positive impact on the world with their purchase. Terra Thread puts people and the planet first every step of the way, from organic farms to your arms.

Mission

Terra Thread is a sustainable bag brand with a mission: to lead a transformation in organic cotton farming and give consumers better, more planet-friendly choices.

Certified

Corporation

Balancing Purpose And Profit

Certified B Corporations meet the highest standards of verified social and environmental performance, public transparency, and legal accountability to balance purpose and profit.

Better Practices For A Better Future

All Terra Thread products are made with Fairtrade certified organic cotton. This natural and biodegradable fiber is the better alternative to harmful synthetic fibers.

From Farm To Arm Goodness

All Terra Thread bags are produced in line with the Global Organic Textile Standard (GOTS). The products meet GOTS' strict social and environmental criteria across the entire supply chain, including adherence to strong labor provisions and prohibiting use of toxic chemicals.

Taking Responsibility

Terra Thread knows the products it makes have an impact on the climate. Supporting carbon offset projects and offering carbon neutral products supports the brand's commitment to providing the best bags for people and the planet!

Empowering People & Improving Lives

Terra Thread products are made in a Fair Trade Certified™ factory! Fair Trade standards guarantee safe working conditions and empower workers economically.
