

AMERICAN GIANT

MADE TO LAST, MADE IN THE USA

MAKE THINGS BETTER MAKE BETTER THINGS

American Giant™ makes clothes in the United States because keeping things local means it can understand the whole supply chain. That supply chain includes the people who touch the product and make it better. In turn, they gain skills and opportunity, and their communities are revitalized. It's a virtuous cycle of good and humanity.

DURABLE NOT DISPOSABLE

High quality. Built to last. Straightforward style that endures beyond trend. Unlike most apparel, American Giant™ is made to be worn – not end up in a landfill.
