

Reducing the waste we create in our homes is an essential step towards a healthy future. Food Huggers is on a mission to help customers reduce this waste by designing modern solutions to make it easy to replace single-use plastics while also reducing food waste – which is one of the largest contributors to landfills.

Food Huggers Recycling Program

The brand believes that part of the responsibility of manufacturing products is having an organized recycling or repurposing plan in place, so they use a Zero Waste Box™ by TerraCycle® to recycle used Food Huggers, giving them a new repurposed and useful second life.

Certified B Corporation

As a Certified B Corp, Food Huggers meets the highest standards of verified social and environmental performance, public transparency and legal accountability to balance profit and purpose.
