

# Back To School

**Date**  
June - August

## Why it Matters?

Don't be tardy! The back-to-school shopping season has become its own retail quarter when summer begins. As they head back to hit the books, not only should the students be prepared with adequate school supplies, but so should the schools, too.

## How to Leverage Promotional Products

The schoolyards are where trends are made, and gossip goes down. Igniting school spirit with unique and stylish school swag will help set the stage for a successful academic journey ahead.
