

Make Everyday Better, Every Day.

OXO looks at everyday objects and activities and they see ways to make things simpler, easier, more thoughtfully designed-better. They notice pain points and pains-in-the-neck. They notice problems people don't realize are problems until OXO solves them. They see opportunities to improve a product or a process, or a part of everyday life, and they make things that make things better.

A Brand That Gives Back

OXO is not just inspired by creating products that make everyday life easier — the brand is also dedicated to giving back. From donating 1% of their annual sales to environmental non-profits to helping fund research that gives children battling cancer hope, OXO is truly a brand that gives back.

After 30 years of making every day better around the home, it's time to do better for the planet. OXO has joined the 1% for the Planet community, donating 1% of their annual sales to environmental non-profits that address the most pressing issues of our time.

Founded by two OXO employees after their son, Liam, was diagnosed with pediatric cancer, CFKC is a non-profit organization that raises funds to develop new, improved and less toxic treatments for childhood cancer. Since 2011, OXO has donated over \$2.5 million to support this important cause.
