

pmd | clean™

PMD® Clean is a smart facial cleansing device that uses SonicGlow™ technology. It has a brush head optimized for all skin types as well as four customizable modes.

SonicGlow™ Technology

With 7,000 vibrations per minute, PMD® Clean deeply removes the skin's impurities by breaking down dirt and oil from within the pores.

Customizable for All Skin Types

A powerful cleansing device with bristles gentle enough for all skin types. With four customizable modes, PMD® Clean provides a full spectrum of cleansing options.

Anti-Aging Facial Massage

Supercharge your skin care regimen by using SonicGlow™ technology to massage serums and moisturizer into skin for a more youthful look.

The Beauty of Silicone

Using ultra-hygienic silicone, PMD® Clean is odor-resistant, antibacterial, hypoallergenic, and waterproof. hassle-free brush head never needs replacing.

Ditch the Cords

Why hassle with cords and recharging? PMD® Clean is portable and powered by a single AA battery (included).
