

**MADE IN THE USA**

**JOURNALBOOKS**

## Make a **Positive** Global Impact with **EcoBooks**

JournalBooks' dedication to environmental stewardship is a long-standing pillar of our corporate culture. It is a commitment we make to our customers, to our employees, to our community, and to our world. With these ideals in mind, we offer a variety of American made recycled and eco-friendly journals that allow for conscientious journaling. These reasonably priced options help to support company sustainability programs, reinforce an eco-friendly brand, or simply to take care of our planet.

Standard turnaround time is 7-10 days after proof approval. Fully customized products are shipped within 15 days. For larger quantities please contact [sales@journalbooks.com](mailto:sales@journalbooks.com).
