

NATIONAL *Gratitude* MONTH

Why it Matters?

National Gratitude Month is a time to pause, reflect, and appreciate the people and moments that make a difference in both business and in life.

While Thanksgiving falls in October, November is still a natural time to carry that spirit of appreciation forward into year-end interactions.

Practising gratitude has been shown to support mental wellness, improve team dynamics, and strengthen both person and professional relationships.

For businesses, it's a chance to thank employees, clients, and partners, with a meaningful gesture – whether that's a thoughtful gift, a handwritten note, or a heartfelt conversation.
