

# Pride Month

## Why it Matters?

Pride Month is more than a celebration—it's an opportunity for businesses and organizations to show their commitment to diversity, inclusion, and equality. Showing up with intention helps foster a supportive environment and build meaningful connections with employees, customers, and the broader community.

## Why Promotional Products?

The LGBTQ+ market holds over \$86 billion in buying power in Canada.

More than half of Canadian adults say it's important for companies to take a stand on current issues.

Branded Pride merchandise boosts visibility, engagement, and long-term brand recognition.
